CAN'T-MISS EVENTS!

SpeechTEK LAB – After a successful first year, SpeechTEK Lab is back for a second run at stacking up vendor products against their competition. Experience the technology firsthand.

The Lab will include:

- Speaker identification and verification
- Speech synthesis
- Mobile devices

DEMOS – Check out the newest, coolest tools and products as we offer the perfect venue for vendors to showcase prototypes and soon-to-be released technologies.

This year we'll focus on:
In Beta: Products in R&D
The Voice-Enabled Enterprise
